

Bus Transportation

Winding Trails Summer Day camp uses traditional school buses for our camp transportation. A Winding Trails Summer Day Camp sign will be on the bus. The pickup/drop off times will vary with traffic conditions, and possibly weather conditions. Please be sure your child is alert and at the pickup spot at least 10 minutes early each day of the session. Please indicate your child's bus stop, *bus color* on the Registration Page.

Your child will be placed on the bus and let off at the stop you designated on the Registration Page. All campers will be put on the specified bus, unless Camp receives the change in transportation IN WRITING. No child will be let off the bus unless a parent or legal guardian is at the stop or has indicated permission on the registration page. Discipline problems on the bus will not be tolerated. If your child creates problems for other campers, staff or the bus driver, he/she will forfeit the right to ride the bus. Winding Trails will not be responsible for your child's transportation and will not refund the remaining camp fees. While every effort will be made to have bus monitors on each bus each day, we cannot guarantee that a camp staff member will be on every bus every day. Bus stop times will be published at a late time. Times are approximate, and subject to change due to a number of different factors. **Winding Trails reserves the right to change bus routes when necessary.**
