Dear Ski Enthusiast,

On behalf of the Winding Trails staff, we want to thank you for being a part of last year's Winter Cross Country Ski Season Pass Holders. We were very happy to have some of the best skiing in years. We had 33 days of skiing and hope that you were able to take advantage of your season pass and get in plenty of days.

As we make plans for the 2021-2022 ski season, we are optimistic that Mother Nature will be generous with lots of snow and cold temperatures. We hope you will consider purchasing a season pass again this year. The application is below. Keep in mind we only need to be open 9 days for your pass to pay for itself. As a season pass holder it also guarantees you availability to ski any day we are open. Last year there were many days we sold out of day tickets.

We also like to share with you that have recently purchased a new Bobcat Toolcat that will be outfitted with tracks and used to supplement our grooming equipment. This new machine will improve our conditions and reduce the time it takes to groom our 12.5 mile trail system. The time it takes to groom.

Should you decide that you would like to purchase a Winter Cross Country Ski Season Pass you may complete the form below and send payment to the address above. You can also purchase a pass online at www.windingtrails.org. If you have any questions, please call Renee at 860-677-8458 ext.12.

Sincerely,

Winding Trails Cross Country Ski Staff
